

WORLD ALZHEIMER'S DAY LET US JOIN HANDS FOR BETTER CARE

Let us work together to care better.

The Cognitive Neurology Clinic, Manipal Hospital & Annasawmy Mudaliar General Hospital (AMGH), in association with ARDSI, Bangalore Chapter; invites you to a special event focussing on caregivers of patients with dementia.

The event will focus on:

- **Prevention and early detection of dementia** - by Dr. Ratnavalli Ellajosyula, Consultant Neurologist and Specialist in Cognitive Neurology, Manipal Hospital.
- **Managing behavioural problems in dementia** - by Dr. Soumya Hegde, Geriatric Psychiatrist, Nightingales Medical Trust.
- **A talk on Brain Donation** - by Dr. Shankar S., Emeritus Professor and Neuropathologist from NIMHANS, Bangalore.
- **Tips on healthy ageing and importance of neuropsychological testing in dementia** - by Jwala Narayanan, Neuropsychologist, Manipal Hospital.
- Facilitation for caregivers to form support groups.

We aim to create awareness, provide information and support as well as form support groups for carers across Bangalore. This is a free event open to caregivers as well as the public.

When

Saturday, 26th September 2015, 5 p.m to 7p.m

Where
